- Americas

by technology segment

- Radio Frequency
- Fiber Optics
- Low Frequency

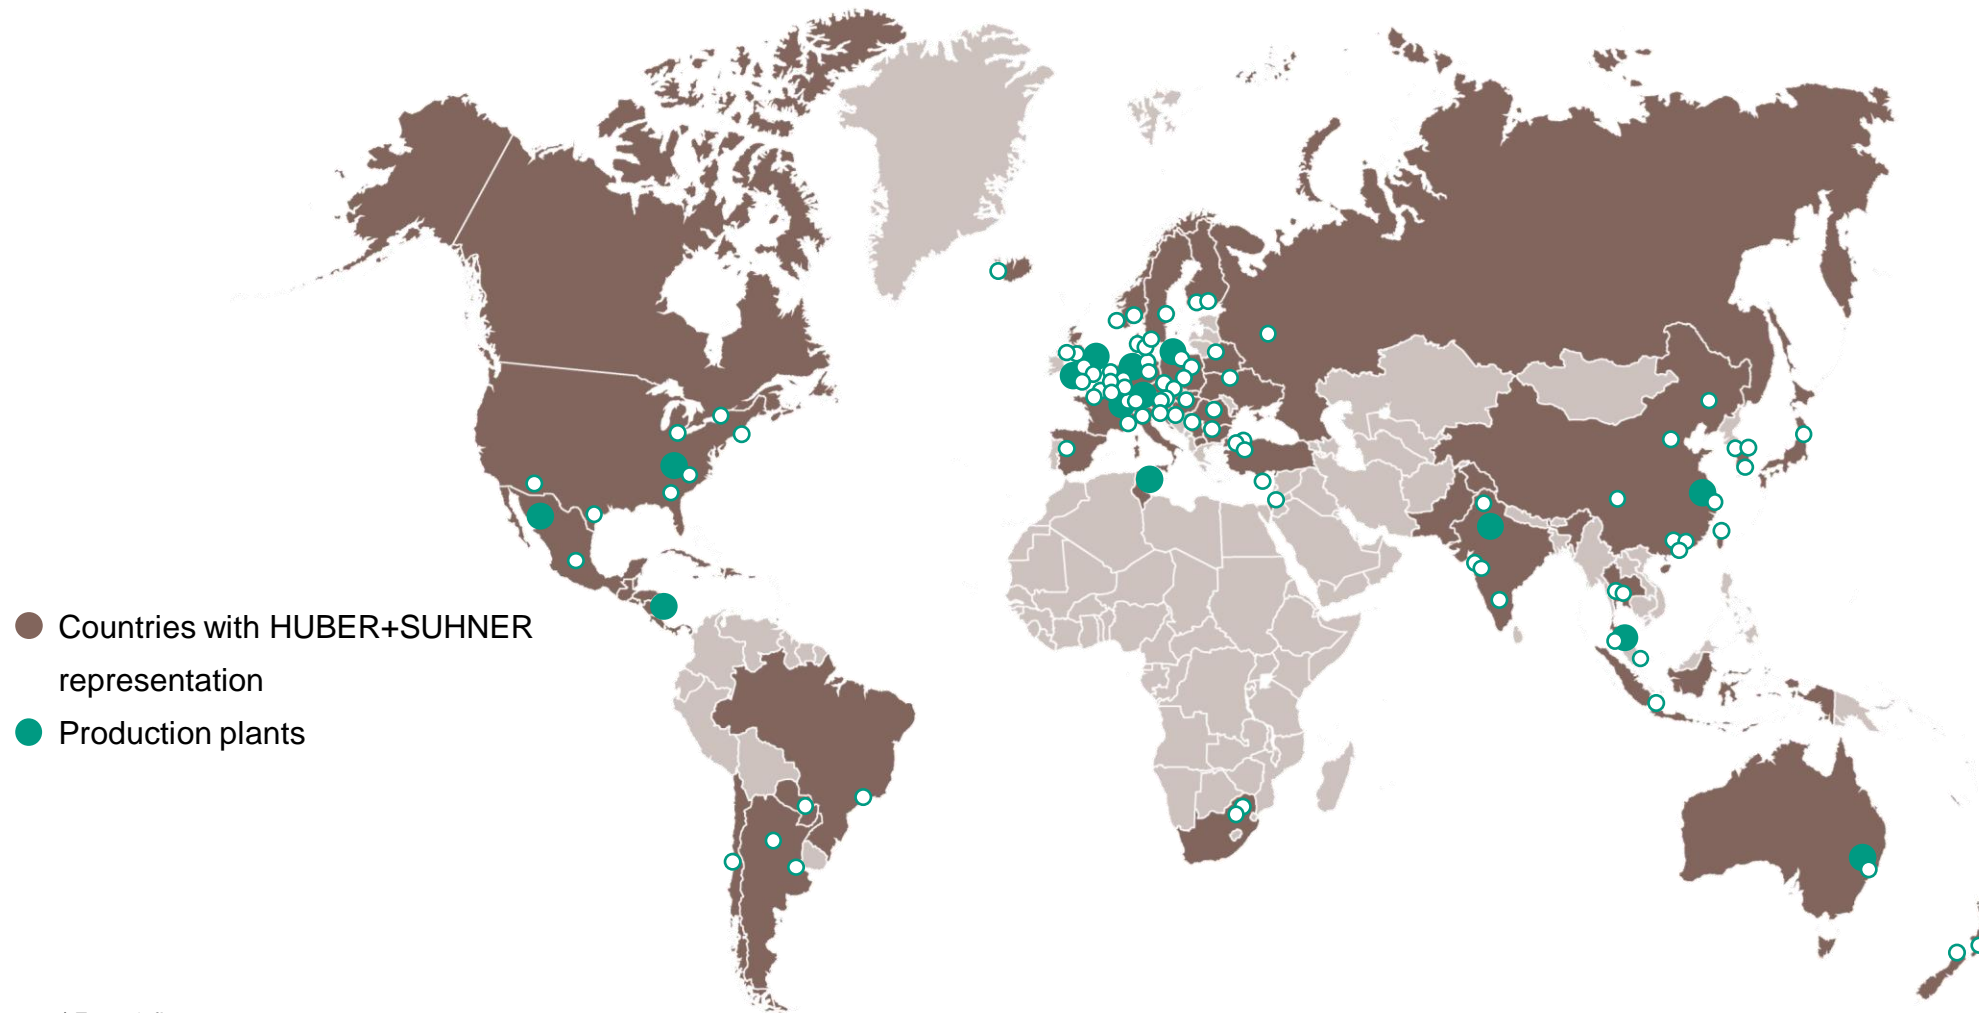

by market

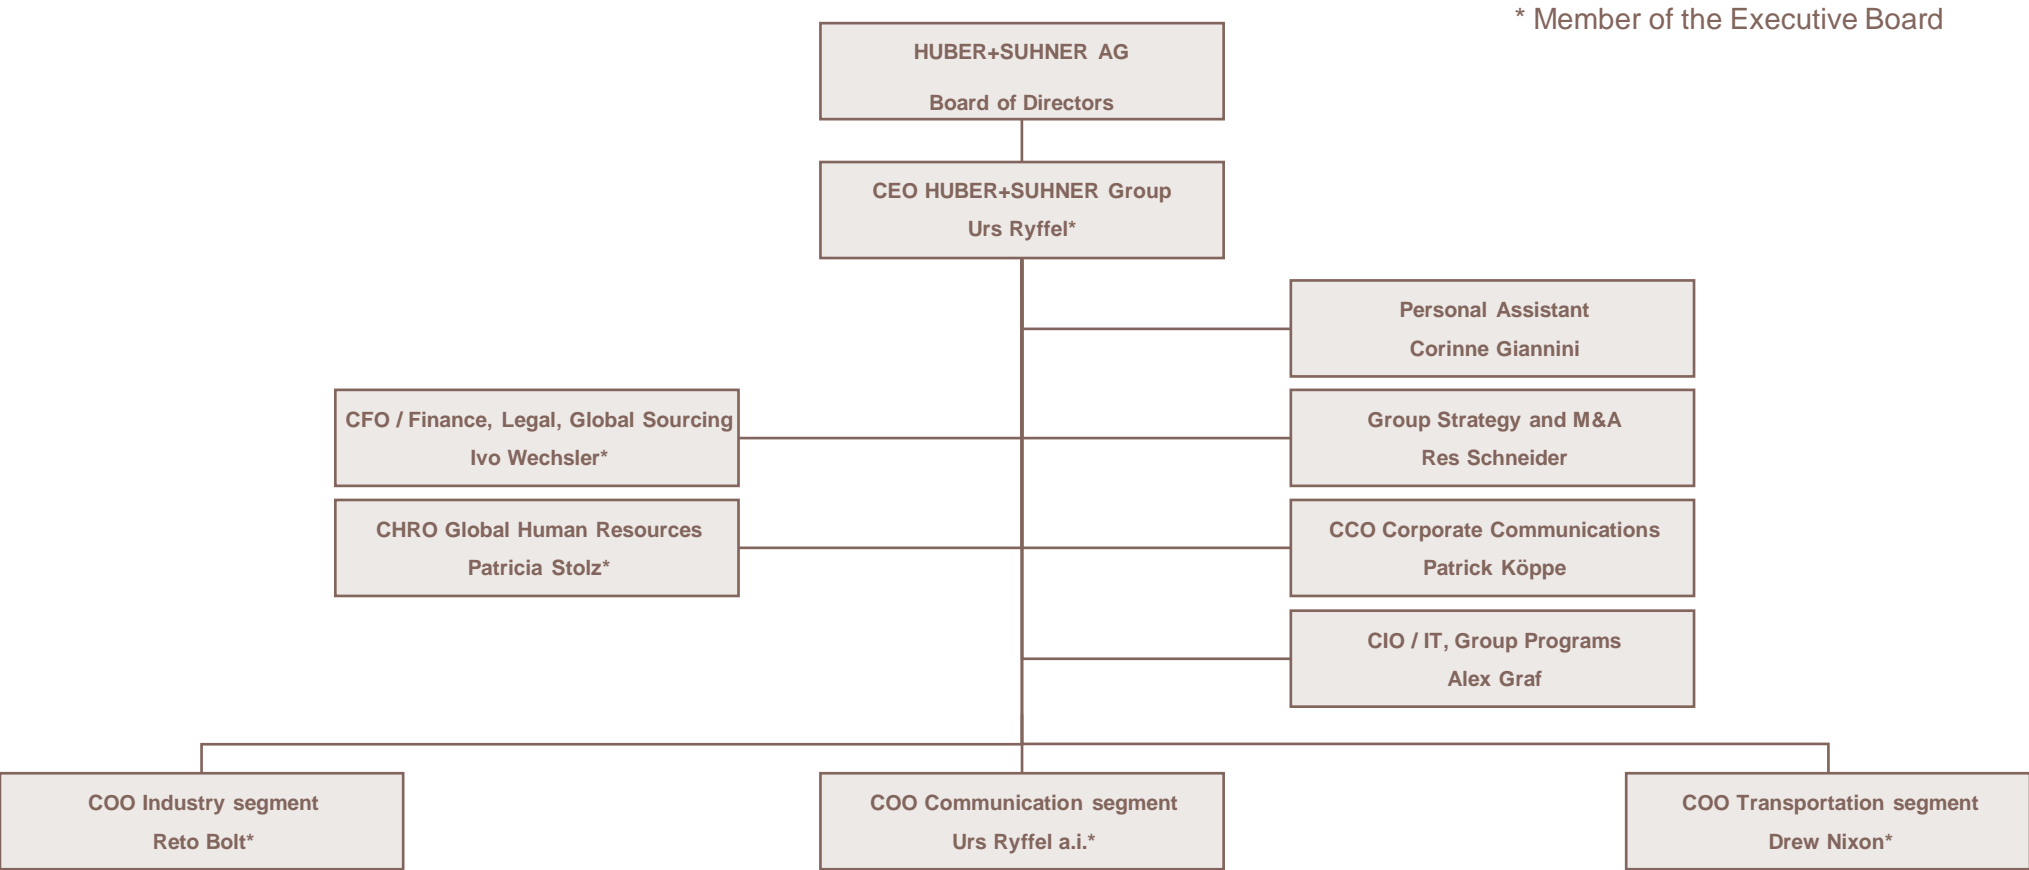

- Communication
- Transportation
- Industrial

Global network

Sales, engineering and production

Organisation

The background of the image is a dark blue gradient. It features a complex network of glowing blue nodes, each represented by a small, bright, circular light. These nodes are interconnected by a dense web of thin, light blue lines that crisscross the entire frame, creating a sense of connectivity and data flow. The overall aesthetic is futuristic and technological.

Connecting – today and beyond
