

ZDPHD - zone distribution panel for high density modules

Description

- Offers high density of 144 fibers or 24 Keystone type RJ-45 jacks in 1U height space
- Up to 4 x high density MTM modules or high density universal adapter plates (or blind plates)
- Up to 2 x RJ-45 modules
- Mix and match fiber and copper technology in the same panel
- Optional rear cable manager for cable over length storage
- Access and installation of modules/plates from the front side
- Optional radius guides for patch cord support and bend radius protection
- Pay as you grow concept

Technical data

Mechanical data

Description	Value
Dimension (W x D x H)	441 x 145.75 x 44 mm 17.36 x 5.74 x 1.73 in
Capacity	4 x MTHDM modules, HDUAP or blind plates 2 x RJ-45 modules
Material	steel and aluminium powder coated
Weight	0.98 kg / 2.16 lb
Colour	black (RAL 9005)

Environmental data

Characteristics	Value
UV resistance	resistant
Free of halogen	yes
Chemical resistance	good
2011/65/EC (RoHS)	fully compliant
