HUBER+SUHNER Group completes the takeover of Polatis on schedule

On 30 May 2016 HUBER+SUHNER signed the contracts to take over Polatis, a group headquartered in Bedford, MA (USA) and Cambridge, UK (press release of HUBER+SUHNER on 31 May 2016). In the meantime, all legal steps to close the transaction were implemented.

Effective 8 June 2016, Polatis has become legally part of the HUBER+SUHNER Group.

Polatis

Polatis is headquartered in Boston, USA, and is the world leader in the area of innovative technology for optical switches for transmitting signals in fiber optic networks. The company provides pioneering solutions for dynamic, demand-oriented connection systems for telecommunications, data centers, governments, testing and video networks. Polatis benefits from a highly-qualified development team with a broad range of experience of optical and mechanical engineering, materials and transmission systems. Further information is available at hubersuhner.com/polatis.com.

HUBER+SUHNER Group

HUBER+SUHNER is a global company with headquarters in Switzerland which develops and manufactures components and system solutions for electrical and optical connectivity. With cables, connectors and systems – developed from the three core technologies of radio frequency, fiber optics and low frequency – the company serves customers in the communication, transportation and industrial sectors. The products deliver high performance, quality, reliability and long life – even under harsh environment conditions. Our global production network, combined with group companies and agencies in over 60 countries, puts HUBER+SUHNER close to its customers. Further information on the company can be found at www.hubersuhner.com.
