### **HUBER+SUHNER – strong performance for the year 2018 as a whole**

The business performance of HUBER+SUHNER was also positive in the last quarter compared with the same period of the previous year. From today's perspective, the company therefore expects net sales for 2018 as a whole to be slightly above the range of CHF 860 – 880 million communicated after nine months.

HUBER+SUHNER will communicate the exact figures for order intake and net sales on 24 January 2019. The detailed full-year results will be presented at the media and analysts' conference on 19 March 2019.

This media release is also available on the website under Company/Media. The German version is binding.

#### **HUBER+SUHNER Group**

HUBER+SUHNER is a global company with headquarters in Switzerland which develops and manufactures components and system solutions for electrical and optical connectivity. With cables, connectors and systems – developed from the three core technologies of radio frequency, fiber optics and low frequency – the company serves customers in the communication, transportation and industrial sectors. The products deliver high performance, quality, reliability and long life – even under harsh environment conditions. Our global production network, combined with group companies and agencies in over 60 countries, puts HUBER+SUHNER close to its customers. Further information on the company can be found at [hubersuhner.com](http://hubersuhner.com).
