Change in the Executive Group Management of HUBER+SUHNER

After many years of valuable service, Dr Ulrich Schaumann, who has been a member of the Executive Group Management since 2015, has decided to retire early and to leave HUBER+SUHNER at the end of 2019.

Ulrich Schaumann has been with HUBER+SUHNER since 2005 and is now responsible for Corporate Operations, consisting of global operations, IT, strategic purchasing, quality management, and corporate projects.

In this function, he further expanded the global production network and aligned both supply chain management and global purchasing with the internationalisation of the HUBER+SUHNER business. He will remain a member of Executive Group Management until the end of his employment.

The company sincerely thanks Ulrich Schaumann for his valuable contribution and wishes him all the best for the future.

This media release is also available on the website under Company/Media. The German version is binding.

HUBER+SUHNER Group

HUBER+SUHNER is a global company with headquarters in Switzerland which develops and manufactures components and system solutions for electrical and optical connectivity. With cables, connectors and systems – developed from the three core technologies of radio frequency, fiber optics and low frequency – the company serves customers in the communication, transportation and industrial sectors. The products deliver high performance, quality, reliability and long life – even under harsh environment conditions. Our global production network, combined with group companies and agencies in over 60 countries, puts HUBER+SUHNER close to its customers. Further information on the company can be found at hubersuhner.com.
